

## CHART 2

# ***A List of Exovede and South Branch Méacutetis Children who are Known to Have Died in Infancy and Childhood; including a Continuation of the List Concerning Adult Children - age 19 and older.***

By

**Darcy John Bouchard, *Li Exōuile* © 12/2012**

By "infancy" - less than two years old is inferred.

"In infancy" is used to calculate age of individuals for either days, weeks, months, or years, when more precise dating is unavailable - it is generic.
